Journal.)

Mr. President, LR 335 is ready for your signature.

SPEAKER NICHOL: While the Legislature is in session and capable of transacting business, I propose to sign and do sign LR 335. (See page 804 of the Legislative Journal.)

CLERK: Mr. President, new resolution, LR 343 by Senators Hefner and Goll asking the Legislature to urge all Nebraskans to recognize the importance of gasoline powered automobile and its contribution to the economy of the state. (See pages 800-01 of the Legislative Journal.)

Mr. President, Senator Rupp would like to ask unanimous consent to hold the public hearings on February 20 in the East Chamber rather than Room 1019.

Senator Warner has amendments to LB 529; Senator Schmit to LB 1020 and Senator Hoagland to 144 and Senator Pappas to LB 813. (See pages 801-02 of the Legislative Journal.)

Mr. President, I have a list of priority bill designations. And the last item I have, Mr. President, is an appointment to the Economic Forecasting Board. That appointment is made by the Executive Board and is offered by Senator Beutler as Chair. I believe that's all that I have, Mr. President.

SPEAKER NICHOL: As you know, your priority bills are due in by Tuesday and we're off Friday and Monday so you might think long and hard, those of you who haven't done so yet. Senator Miller, would you like to make a motion as to what is going to happen between...what's going to happen between now and nine o'clock Tuesday morning, please.

SENATOR MILLER: I move that we adjourn until Tuesday, February 18 at 9:00 a.m.

SPEAKER NICHOL: You've heard the motion. All those in favor say aye. Opposed nay. Thank you for your help this morning. We are adjourned.
